There Never Was A Pal Like My Daddy’s Gal

By RAYMOND and LE ROY DEWITT

Introduction

I’ve heard a lot of fellows
When daddy was a lad-die

Speak of dear old pals
He had lots of gals
But there is one that I hold dear
Then like an angel from above
Her love will never die.

CHORUS

There never was a pal like my Daddy's gal

There was never a pal so true

She was daddy's sweetheart long long ago When

old fashioned romance was new Her

There Never Was A Pal, 3
eyes are just as blue her heart just as true

Tho' the gold in her hair has faded gray She is

still Daddy's gal Just a wonderful pal For she's

my dear old mother today.
