Until Ready

I often wonder
Why clouds
Don't try to scold me

Don't you enfold me

Close

Lone-ly little sky
To your heart a-gain

Blues never go dear

Give me this pleasure

You ought to know dear
Live on in pleasure
That's what makes me cry.
I'm always
Take away the pain
of always

Chorus
Waiting for the sunshine
Look

ing for the rainbow
Grey clouds linger

near
They won't disappear
