YOU'RE MORE THAN A PAL TO ME

(WALTZ SONG)

Words by
BARTLEY COSTELLO

Music by
ROBERT L. STEVENS

You call me wonderful pal,
I just can't think of a name.

And yet I'm not satisfied;
To me you are nearer,
That means all you are to me;
I've searched dictionaries, and

thousand time dearer, than any pal I've ever tried;
even not there, is a word good enough for you see;

Refrain

more than a pal to me,
You're

more than a pal could be,
When I

look in your eyes,
Then I realize,
An

angel was sent down to earth from the skies;
When

You're More etc. 3 GOLDEN MEMORIES (of Hawaii) A dreamy waltz song
I needed sympathy, You stood by me
faithfully.
You're all that is true
My Heaven is you, You're more than a pal to
me.
You're me.
