Sor-ry, dear, what's the use no ex-cuse, All of your plead-ing's in vain.
Hurry up, run a-way, don't de-lay, this is a dan-ger-ous place.

You have lost your chance, Gone is our ro-
Some-one else will be, Here at half past three.

Sorry, dear, Someone else now is here, Tak-ing your place to re-
Some-one else now is here, May change the smile on your
main,  Love has lost its flame,  And you're all to blame,  
face,  Throw your Ford in high,  Here's your hat "good-bye!"

Chorus

You went away too far, you stayed away too long, You thought that you were right but now you know you were wrong. 
You should have known the danger when you left me behind 'Cause I'm the kind
that must have love all the time. I needed company, a little sympathy, a hug or two when one is blue will help things along. I met somebody with a heart and soul, He squeezed my hand and then I lost control. You went away too far, and stayed away too long! You long!

There's something nice—about everybody—but there's everything nice—about you.

You are the only one who can cheer me when I am blue.
