Honey don't you sigh
Every night and day

Honey don't you cry
Soon the long trail will be
Since you've been away
I read your letters to
turning
cheer
me

Turning once again

Ev'ry tender line

back to lovers lane
when I start to pine

Then my poor heart will stop yearn

Seems then I feel you are near

-ing
me

There beside the river with the stars in the

Far across the meadows when the evening bells

sky
chime

There where we whispered goodbye.

There in the sweet twilight time.
Chorus

When the harvest moon is shining, I'll be pinning dear for you,

Down the lane we'll wander again, as we used to do
