VAMP

Tell me dear why did you leave me, Surely now you knew 'twould grieve me, Really how can
Really dear you had no reason, All I did was only teasing, How can you dear

CHORUS

you forget, some-day dear-ly you'll regret And there'll come a day You'll be sor-ry
Some-day surely you will know

you went away And left me long-ing to play Without a sweet-ie to call my own
You left me all alone In my dreams your fair face beams I see you coming to me.

You'll be sorry then you'll worry Just you wait and see my dearie Angels of love Will馊one

Send from above And bring a message of love. Sweetheart from you I hope they do.

You'll miss my hugging and my kissing too You'll miss my loving and you'll feel so blue Yes.

There'll come a day There'll come a day. day.
