That Railroad Rag.

Allegro.

Piano.

Did you ever hear about the
Once there was a Pull-man train of
Out in San Francis-co we met

rail-road-rag. Toot, Toot, toot it's a joyful jag;
eighteen cars. Took a trip and went up to Mars;
Doctor Cook. Talking on the pole from an old cook book,
See the train a-going 'round the curve,
Soon it broke all records, thought I'd die,
en-gineer was angry, said He's done,

Um my! feel that
In one hour we
I'll go get that

en-gine swerve,
reached the Sky.
Fole who'll come.

En-gineer's a hum-ming a pe-
Old St Pe-ter was a wait-ing
Some one gave the sig-nal we were

cu-liar strain,
at the gate,
off like shot,

In your heart you get a pain;
He said you're one min-ute late;
Gee but ev'ry one was hot,
All the people on the train have caught the drag. Now
Then he asked the engineer, why did you slack. I'm
In just thirty seconds we were half way there. Then

Everybody's humming that railroad rag.
Sorry boys to tell you to go right back.
Stopped to get directions from a Polar Bear.

Chorus.
Oh! Oh! that railroad rag. Oh! Oh! Oh! Oh! Oh!
Oh! Oh! that railroad rag. Oh! Oh! Oh! Oh! Oh!
Oh! Oh! that railroad rag. Oh! Oh! Oh! Oh! Oh!

That Railroad Rag.
It makes you fall asleep in Fargo and you
It makes you feel so awful funny that you
It makes you fall into a doze and someone

Wake up in Chicago; Hear that engine hum,
That train's sure
Throw away your money; Hear that engine hum,
That train's sure
Walks off with your clothes, just hear that engine hum,
That train's sure

Going some, Here comes that Choo-choo
Going some, Here comes that Choo-choo
Going some, Here comes that Choo-choo

Whistle.

Choo-choo-choo That's the railroad rag. Oh! Oh! that rag.
Choo-choo-choo (Toot) (Toot) That's the railroad rag. Oh! Oh! that rag.
Choo-choo-choo That's the railroad rag. Oh! Oh! that rag.
Love Me Dear And Tell Me So

Words by Nat Vincent
Music by Ned Nye

When you're feeling down and blue,
And you don't know what to do,
Remember me and me and me,
And I'll make it all better for you.

When you're feeling up and bright,
And you want to sing and fight,
Remember me and me and me,
And I'll make it all better for you.

When you're feeling sad and alone,
And you don't know what to own,
Remember me and me and me,
And I'll make it all better for you.

Give Your Smiles To All The Boys

Chorus

Give your smiles to all the boys,
But keep your heart for me.
Sweetheart, you know I love you so,
And dream of days to be.
When first my eyes met yours,
I knew that you were meant for me.
Give all the boys your smiles,
But keep your heart for me.
