Moderato

Down by the beach lived the sweetest little peach
You never heard sweeter notes from a song-bird

And I must say she just had the cutest way
Can't get enough when this baby does her stuff

Playing a chord upon a wash-board
She croons along when she plays a song

Folks would gather 'round from every-where in town why just to hear her play.
She's more than won-der-ful and more than mar-vel-ous she just can't go wrong.

Chorus

On her Coney Island wash-board she would play You could

hear her on the board-walk ev'ry day Soapsuds all a-

round, bubbles on the ground Rub-a-dub-a dub in her lit-tle tub
All her tunes she found
Thimbles on her fingers made the noise
She played

"Charleston" with the laundry for the boys
She could rag a tune

right thru the knees of your brand new silk B. V. D's With her Con- ey Is- land

wash-board round-e-lay.
On her-lay.
