Valse Andante

A pal in need is a pal indeed, But there's
The years have flown like the pals I've known, And there's

only one pal life can hold To share your schemes and
only one thing left to do; I'll journey back to the

beautiful dreams With a heart of pur- est gold.

CHORUS

When the girl pal you knew makes you lonesome and blue, And your pathways are drifting apart,

When the boy pal who'd lend, and who'd stick to the end, Only causes an ache in your heart,

When the pal you thought best changes just like the rest, Don't forget, when your dream castles fall,
ad lib.

God gave you one mother and never another, There's only one
colla voce.
