Down The Trail To Home Sweet Home

By ERNEST R. BALL

Moderately with expression

When fortune you dreamed of has cast you a-
When you are successful, the world's at your

side, And you are left drifting along with the tide, Your
feet, And friends by the million will make life complete; But
castles have fallen, all hope seems in vain.
You're if the wind changes, you're left all alone.
Till

trying to find your bluebird again?
you get a word from Mother back home.

REFRAIN Tenderly

Would you like to go back to home sweet home, Where the world and your friends are true.
And down the lane to stroll a-
gain, Where Mother waits for you. When you've lost in the
game of gold and fame, And you're weary of fighting alone,

When the tears come I know then the heart aches to go Down the trail to

Home sweet Home. Would you trail to Home sweet Home.
