VOICE (express)

Moderato
Till ready

I used to bless the day I first met you
I nev-er would be-lieve the things I'd hear

I planned so man-ny things for just us two
But now its plain to
Because I al-ways thought you were sin-cere
But now I find I'm

see that you have nev-er cared for me
You can't de-ny you fooled me
wrong for you've been flirt-ing right a-long
You will ad-mit I act-ed

from the start It's best we part, before you break my heart
on the square Still you don't care and you've been so un fair

CHORUS Slow march tempo (with feeling)

I used to love you, but it's all over, All over

Marcia (not too fast)

now, You know it's all over town that you threw me down

But

you shouldn't let that kind of story go round For you've had your chance, and now it's
It's All Over

Over Echo, I'll get along somehow.
Now there are things that you did,
I used to forgive.
But you'll never change just as long as you live.
I used to love you, but it's all over.
