Marcia.

So you're leaving me, sweet girlie,
I can see a scene, sweet girlie,
As sweet-

true we have to part,
Let me whisper something
hearts can only do,
Where we'll sit and dream sweet
girlie, To my own sweet heart; It will
girlie, In a home for two; See just

worry me, sweet girlie, And I'll be so lone-some
what it means, sweet girlie, What it means for you and

too, It will cheer me, dear, when you're not near me, Just to
I, So in June-time, spoon-time, honey-moon-time, We'll be

know your heart beats true
happy, bye and bye

Good-bye Girlie 4
CHORUS

Good-bye girlie, and remember me,

when you're far away, I'll be thinking of you dearie, more and more each day,

Summer's coming, birds will

Good-bye Girlie
soon be humming, love's sweet melody,

Good luck!

good-bye, girlie, and remember me.

CHORUS

It's the pretty things you say, dear, And the pretty things you do;    It's the pretty smiles you smile, dear, And your pretty eyes of blue;    It's the pretty things you say.
