Moderato.

The night was mighty dark so you could
I can't see why a boy should sigh, when

Hardly see, For the moon refused to shine,
By his side is the girl he loves so true,

Couple sitting underneath a willow tree, For love they pine,
All he has to say is "Won't you be my bride, For I love you,
Little maid was kind afraid of darkness So she know
Why should I be telling you this secret When I said, "I guess I'll go," Boy began to sigh,
That you can guess," Harvest moon will smile,
Looked up at the sky, Told the moon his little tale of woe,
Shine on all the while, If the little girl should answer "Yes!"

Shine on harvest moon 3
CHORUS.

Oh, shine on, shine on harvest moon up in the sky.

I ain't had no lovin' since April, January June or July.

Snow time ain't no time to stay out doors and spoon, So,

Shine on, shine on, harvest moon, For me and my gal.
