The night was mighty dark so you could
I can't see why a boy should sigh,

(Em) (Am) (Em) (C7) (B7)

hardly see, For the moon refused to shine,
by his side is the girl he loves so true,

Couple sitting underneath a willow tree, For love they pine,
All he has to say is: 'Wont you be my bride,' For love you.
Little maid was kind a 'fraid of darkness So she why should I be telling you this secret When I said, "I guess Ill go." That you can guess," Boy began to sigh,
Harvest moon will smile.
Looked up at the sky, Told the moon his little tale of woe.
Shine on all the while, If the little girl should answer "Yes!"
Oh, shine on, shine on harvest moon up in the sky.

I ain't had no lovin' since April, January June or July,

Snow time ain't no time to stay outdoors and spoon, So,

Shine on, shine on, harvest moon, For me and my gal.
TOO LATE
By SAM LEWIS
and VICTOR YOUNG

REFRAIN (with deep feeling)

Too late, I thought that love would always wait

I learned that love don't hesitate Too late, too late.

Love mate I heard my heart cry for a mate

I told my heart it had to wait 'til too late.
