IT'S WEDNESDAY OVER HERE

Extra Choruses

3 When it's night time in Italy it's Wednesday over here
   When it's wash day in Picardy they're eating ice cream cones in Georgia
   Sixteen and four makes thirty one
   Take eight from five and your day's work is done
   There are people who hesitate but corn beef makes them cheer
   When it's night time in Italy and Wednesday over here.

4 When it's night time in Italy it's Wednesday over here
   When it's Christmas in Albany they're catching fish in Scandinavia
   That's right, you're wrong, you're wrong that's right
   Though the days are long it's always cool at night
   If you can't play a Piccolo the holidays are near
   When it's night time in Italy and Wednesday over here.

5 When it's night time in Italy it's Wednesday over here
   When they're dancing in Omaha, the girls don't wear no tights in Turkey
   My brother Lou likes Oyster Stew
   Magazines are read, a china cup is blue
   Should you order some ham and eggs by the time that they appear
   Twill be night time in Italy and Wednesday over here.

6 When it's night time in Italy it's Wednesday over here
   When the wind blows in Louisville, I always dream of Julius Caesar
   Young folks are young, old folks are old
   Fire is hot, but ice is some times cold
   Try and fondle a porcupine and why is food so dear
   Cause it's night time in Italy and Wednesday over here.

7 When it's night time in Italy it's Wednesday over here
   When a train leaves for Buffalo elephants won't sing songs in Spanish
   You have a peach, she has a pear
   I have aces up and he has curly hair.
   By the time that they pass a bill to bring back wine and beer
   Twill be night time in Italy and Wednesday over here.

8 When it's night time in Italy it's Wednesday over here
   When they're bathing in Argentine don't ever try to milk a herring
   Tall trees are high, no I don't mind
   Yodel all you like, a mushroom's alway kind
   If you haven't an appetite, then think of Paul Revere
   When it's night time in Italy, it's Wednesday over here.
