You broke my heart in too man-y places That's just why I'm mad at you.

Each time you smiled you sim-ply made fa-ces

That's what makes me feel so blue Don't think you're wise and you

needn't think you're smart For I knew you were fool-ing kid-ding me from the start. But

In the land of Egypt I want you to know
In this land of freedom I think you all know

There the girls are anything anything but slow
Old “King Tut” he started styles styles of long ago
I only stayed there stayed there for a week. But I
took up dancing dancing for a while. And I
copped my self a Sheba When a maiden called me sheik.
lost my heart while dancing To a Sheba with a smile.

CHORUS

My baby Sheba she's the cats meow When it comes to

lovin' She-ba sure knows how All dressed up in the style of "Tut"
When it comes to class she's noth-in' else but
My ba-by She-ba-

She's the birds eye brow
When I tried to teach her dancing She-ba showed me

Boy

how
When she sways she's so en-tranc-ing all the boys yell "wow!"

My ba-by She-ba she's the cats me ow.
