### Director's Note:

*"Each friend represents a world in us, a world possibly not born until they arrive and it is only by this meeting that a new world is born."*

Anais Nin

Deadlines were met, expectations exceeded and we still found the time to laugh. . . a lot. For my first directorial experience it would be an understatement to say that I was blessed with a reliable, dedicated and phenomenally talented team.

Thanx for the memorable adventure!
