Family Music

Welcome to Family Music, an adaptation.
The original play, “Un Air De Famille” by A.Jaoui and J-P Bacri, was a success in France. When I translated the script, I tried to stay true to the characters the authors created.
Family Music is a student production about a family’s inability to communicate.

Thanks for coming, enjoy the show.

Esther Wolf.
**Cast**

Betty ................................................................. Gillian Muir
