love, Will live like a song of the heart.

CHORUS

There's an end to the leaves when the autumn comes around, There's an end to our joys and our sorrows, There's an end to each day, for it has to make way for the shadows and darkness that
Fol-lows. There's an end to the storm when the sun-shine ap-ears.
The old must make way for the new,
There's an end to us all, The great and the small,
But there's no end to my love for you.
There's an my love for you.
