

# A·BE MY BOY

WORDS BY  
**H. RULE and T Mc GEE**

At a private Dance that H.R.H. the Prince of Wales attended on Monday night, Lord Louis Mountbatten requested Mr. Bert Howell's Jazz Band De Luxe to play "Abe, My Boy," as it was a favourite with His Royal Highness. The Prince evidently shares in the general appreciation of this splendid melody, as a little later on the Prince himself asked Mr. Howell if he would repeat "Abe, My Boy" as an encore.
