If Love Were All

When first your eyes looked into mine
   In my heart there was ecstasy,
When first I heard your voice divine
   Then I knew you were made just for me.
If love alone would rule the world
   From your side I would never depart;
Though fate should take you far from me
   Forever you'd be in my heart:—

REFRAIN:
If Love Were All, oh, If Love Were All,
   I'd be forever by your side,
I would kiss away your tears when you cried;
   When the sun shines bright, or when shadows fall,
What a wondrous world this world would be, dear,
   If Love Were All.

2
Dear heart, if you but say the word
   To the ends of the world I'd go,
This perfect love I'll bear for you
   Till the waters shall cease in their flow;
But if some day fate should decide
   That our pathways must keep us apart,
I swear no matter where I roam,
   Your image I'll wear in my heart:—
