Down Moonlight Lane

In June time, sweet June time,
Two hearts beat, at one time

It's night time, the right time,
To hold you, and fold you

Down in Moonlight lane,
Close up to my heart.
I loved you, adored you,
The moon-beams in glory.
My life I, they whisper lived for you
the story.

Then our parting came
Of our broken love.

Now when the silver stars peep thru,
Without you all the world is wrong.

My tender thoughts are all of you
My heart repeats this love sick song.
Down in Moonlight lane we would stroll
till dawn.

But it's not the same sweet heart
Since you have gone, (It's lonely)
Only memories now. But they seem so real somehow.

In dreams I just stroll again. Down Moon-light lane.

with you.
