If you want to know how to get the dough
You'll get all the jack at the old race track
And you're a lover of horses
If you will listen to reason

There's a plan that's known makes book makers moan
It's successful at all
ev'ry time you play is a winning day
You can beat 'em real good

race courses
Here's some good advice
It wins ev'ry day
while you work or play
If it's hot or if it's

losses
For a two cent stamp
Get yourself in line
For this dough-get-ter of mine

with the same assurance as you would negotiate a certified check. This safe, sane, scientific System, which required years of concentrated study to perfect, is especially adapted for handbook operations. Worth what it WILL WIN plus what you MUST LOSE without it. Hundreds of prosperous clients located from Coast to Coast have testified to the unvarying consistency of this Percentage Winner Supreme. We ever stand prepared to submit a collection of these flattering endorsements in ORIGINAL FORM, with the envelope attached showing postmark and cancelled stamp. If you appreciate the true meaning of the word N-O-W, you will soon spell it the other way around, W-O-N ! ! ! Liberal terms contingent upon resultant earnings.
