Moderato

Life's too short to waste your time in crying,
Happiness is here and we can find it.

Cheerful smiles will carry you along,
There's a smile for every tear that's shed,
If you feel the world's all wrong stop
If luck seems to turn away don't

sighing,
You can change it all with just a song.
Mind it, Sing yourself a little song instead.

CHORUS

Sing a little song when you are lonely,

Sing a little song when skies are grey,

Sing a little song when you're heart broken,

Spread a little cheer along the way.
Sing a little song to hide the tears drops,

Pining only makes the day seem long, so;

If you hum a tune, you will find that soon everything is right that's wrong, so

when you're blue, here's what to do, sing yourself a little song...
