VOICE

I've been missing someone quite a
In my dreams I hear an old love

while,
I've been longing for a loving smile,
And I'm back there, where it's always June.

But the day is drawing near, When I'm going far from here,
Soon those dreams will all come true, For I'm coming back for you,

And when we meet, 
I know you'll wait, 
Life will be complete.

By Granada gate.

CHORUS

While the moon shines in Coral Gables, I will hold you

in my arms, While the love-light brightly

shines in your eyes, 'Neath starry skies and shel'ring palms.
When the moon shines in Coral Gables,
Hearts are ever young and gay,
I know that we'll never roam,
We'll build a wonderful home,
In Coral Gables,

some day.

While the day.
