never did get far

girl that he took out

Because he didn't own a car

And all the girls he knew just loved to ride,
pont

And they would say that Ray was not so good.

He saved up every penny of his pay,

But now when they go out he treats 'em grand.

Ray And His Little Chevrolet
CHORUS

Ray and his little Chevrolet
You could see him every day

He's just like little Jackie Horner waiting on the corner, Say,

with that little Chevrolet
He laughs at Packards and Coles and

Roam-ers
Gets more girls than Ruth gets homers, They love to ride a-round with
Ray. For there's lots of room to play. In his little Chevrolet.

He always gets the choicest pickins.

Bought a little coup just built for chickens Ray, and his little Chevrolet.

Ray And His Little Chevrolet.
