It's over the river, any old flivver Can
A spot where it's pretty close to the city, Where

Behind those gates where gladness lies,

May someone else find paradise: I love you and

want to be with you forever!

Refrain (Tempo di Fox trot moderato) not fast
For many years I searched the world for you.
_I looked into heaven too_ to find you._

_I heard the angels play love's melody._

_How could I happy be without you?_

_One look into your eyes_
Is worth a paradise!

I'm satisfied for in your

love I see That you are meant to be my

heaven.

heaven.
