REFRAIN (not fast)

Every day when you're away,
All the little red roses
get the blues for you.
Violets send their regrets,

When The Little Red Roses Get The Blues For You.
Every little blue bird
gets bluer,
Honey when you come back,
my blue days
will be fewer;
How they sigh, and so do I.

When The Little Red Roses
Get The Blues For You.

Till ready

VOICE (He) When I first met you
(She) At our first meeting
I didn't get you
My heart was beating
And kept repeating

get away, dear.
But Heaven blessed me
You soon impressed me.

"He's a devil!"
I faced the issue
And lived to miss you.

And love possessed me.
So I say, dear
If once a fellow knows you
Then longed to kiss you.
On the level
If I believed in love at

well sight
Hell be forever in your spell.
I'd be a sorry girl tonight.
CHORUS
