DREAMING

REFRAIN
Dreaming, dreaming, dreaming, dear, of you,
Dreaming of flowers that never fade away,
Bringing back memories of yesteryear.

CHORUS
Just a dream of mother who called me to rest,
Bringing back to memory the days we loved the best.

Just A Dream Of Mother

THAT TWILIGHT MELODY

Words by JACK YELLEN
That twilight melody
Hear them chiming in the twilight
Those vesper bells
Golden memories they're bringing their music.

JACK BAXTER
This dearest pal in the world to me,
Is my mother old and grey
The truest friend who ever loved me.

Words and Music

HYMON CHEIFFETZ

I've been grieving honey mine
If you say you're satisfied
That my love is not denied

Sighing, crying all the time

I've been grieving honey mine
If you say you're satisfied
That my love is not denied

Birds have lost their song
We'll go to the west

Ev'rything seems wrong
To a cosy nest

Don't you ask me why I'm blue, Why tears are in my eyes
Oh how happy we will be in love-land ev'ry day

All that I can say to you
And you'll never hear from me
Girl I idolize.
What I once did say.

CHORUS
You know why each day I'm lonely
You know why each night I'm blue
You know why I love you.
only

Won't you make my dreams come true?
You know

why

my heart is yearning
With a love that ne'er will
die

In your eyes I see the love-light gleaming
And I'm

dreaming that you know why.
You know why.
