Love Has A Way

You wonder why I smile
    When all the world expects a tear—
I say "good-bye," yet all the while
    My heart keeps saying "never fear."

Love has a way of causing heart-aches
Just as the heavens send the rain,
A way to make your heart beat faster
    When the sun shines again.

REFRAIN
Sweetheart, when skies are darkest,
Dear Heart, when you are blue,
Then, dear, if you'll only remember
There's a silver lining
Where the sunshine hits clouds of despair,
And true love is never smooth love,
Fate calls and lovers part.
Life has its say,
But love has a way
Of mending every broken heart.
