When I've been out on the spree,
When they'd had a high old time,
toddling down the street,
all the whole night thro'.
With this little melody
every one I greet.
King Cole said and his fiddlers too?
Refrain
Show me the way to go home, I'm tired and I want to go to
bed, I had a little drink about an hour ago, And it's gone right to my head. Wherever I may roam, On land, or sea, or foam, You can always hear me singing this song,
Show me the way to go home.
EXTRA VERSES

1.
Miss Fitzimmon went in swimmin
Early one Summer morn,
She took a dip and she heard a rip
And she knew her suit was torn.
She stayed 'till the change of tide
Took the water out,
When no longer she could hide.
She began to shout:

(Chorus)

2.
At a ball game where they all came
Just to see Babe Ruth swat,
The bases three were full and he
Stepped out to take a shot.
Three balls and two strikes he heard,
On the next he fouled,
Then the guy who stood on third
Cleared his throat and howled:

(Chorus)

3.
My friend Jack went to the track
And a big bank roll he bet,
He bet upon a horse named Don
And the darn thing's running yet.
He was forty miles from town,
As the pigeons fly,
He put his last dollar down
And began to cry:

(Chorus)

4.
Mamie Flynn went riding in
A stranger's motor car,
He tried to kiss this charming Miss,
But he never got that far,
She hit him an awful smack,
They were ten miles out,
And as she was walking back,
He could hear her shout:

(Chorus)

5.
Mister Wright came home one night
Quite unexpectedly,
And in his house he caught his spouse
With her affinity,
As the husband's gun was pressed
To his rival's head,
He said "Make your last request"
And the stranger said:

(Chorus)

6.
Mister Devil to the level
Came from down below,
The first night he went up to see
The Ziegfeld Follies show,
When the dollies danced about
Dressed so scantily,
He got up and shouted out:
"It's too hot for me."

(Chorus)

7.
Buying drinks a lot of ginks
Gathered in a swell cafe,
A Scotchman who had quite a few,
Was feeling rather gay;
He kept drinking with each guy
As the hours fled,
When it came his time to buy,
He stepped up and said:

(Chorus)

8.
Jack McCann once took a man
Up in his aeroplane,
He looped the loop then made a swoop
And looped the loop again.
His friend paled and mopped his brow,
Then the flyer cried—
What else can I show you now,
And his friend replied:

(Chorus)
Stand still forever, golden sun, At this high noon of our delight,

Turn not this glory into afternoon, The
