I'm so lonesome don't
Loved you so babe and

know what to do... and you're the reason I'm feeling so blue
you know it too... Why do you act just the way that you do...

I was happy and satisfied
But if you're gettin' tired of me
Then I'll be on my way
You're as mean as you can be
You told me you loved me so
Always teasing poor little me
If you do then why did you go
Think I see your
Think I have things reason now
and that is why I say.
I'll figured out
and that is why I shout.
CHORUS

Bet it's do-in' you a lot-ta good to know That I'm so lone-some for you — I

know you're hap-py sat-is-fied — You know darn well that I'm blue —

I nev-er clown fool-in' a-round — With the sweet-ies as you sure-ly know — You're so

happy and gay — Now don't be that way — You know darn well you'll be sor-ry some day

Doin' You Good - 4
