MAX KORTLANDER
America's Greatest Team of Composer-Pianists

Pete Wendling and Max Kortlander have been known for over a decade as premier recording pianists for the Q.R.S. Music Co.

In this book are presented their own interpretations of popular compositions for whose rendition their peculiar style has become famous.

Thousands who have sought to emulate their individual technique as evidenced on the music roll recordings are here given an opportunity to see how the masters do it.

Contents also include a paraphrase on "OLD FOLKS AT HOME", a paraphrase on Tosti's "GOOD BYE", examples for the development of the left hand and many other interesting examples of syncopation and progression.
