are descending — The day is ending — A happy ending —
have just begun, dear — The day is done, dear — When skies grow dimmer —

The sun is sinking — Below the western sky —
And stars will glimmer — Along the starlit way —

CHORUS

breeze is sighing of love undying at Sundown

Ev'ry little bird is resting and feather nesting at Sundown

Each little rosebud is sleeping — While
Shadows are creeping

In a little
cottage cozy

The world seems rosy at Sundown

Where a loving

smile will greet me

And always meet me at Sundown

I seem to

sigh, I'm in heaven,

When night is falling and love is calling me

home.

Ev'ry little home.
