THE SONG OF HOLLYWOOD BOWL
(The Song Universal)

Sing to me! Sing to me!
Spirit of the heavens high!
Play for me! Play for me!
Breezes of the azure sky!
Songs beyond the sunland gate,
Banish far all shadowed hate,
Reign within and set me free,
Come to me! Come to me!

Nations with your love intense,
Bring to me, bring to me,
Gold and myrrh and frankincense:
Tributes brought by land and sea.
Sleepers with no thought of life,
Hark! Awake, awake, arise!
Put aside this useless strife,
Seek to win the Spirit's prize!

Turn your ears to gleaming stars,
For a single hour keep still:
These my notes are golden bars
From beyond the moonlit Hill.
Sing to me! Sing to me!
Spirit of the heavens high!
Play for me! Play for me!
Breezes of the azure sky!
Songs beyond the sunland gate,
Banish far all shadowed hate,
Reign within and set me free,
Come to me, oh come, oh come!

Ahmad Sohrab.
