Fifty Million Frenchmen

Allegretto pittoresque (à l'orientale)

brought the women and children first, the men had much more
charm than they have today. And if only one of that

Type survived, The very moment that he arrived I

Know I'd fall in love in a great big way.

I can't imagine being bad. With any arrow

collar ad,
Nor could I take the slightest joy—

In waking up a college boy,
I've no desire to

be alone
With Rudy Vallee's megaphone,

So when I'm saying my prayers I say:
Refrain

Find me a primitive man

Built on a primitive plan;

Someone with vigor and vim,

I don't mean the kind that be-

longs to a club, But the kind that has a club that be-
longs to him. I could be The
personal slave Of some one
just out of a cave. The

only man who'll ever win me Has gotta wake up the gypsy in me. Find me a primitive man. Find me a primitive man.
