1. Gloria I salute you! at the rising of the sun
2. Gloria I salute you! when the hour of noon-time comes
3. Gloria I salute you! when they take your colors down

And the sun's bright rays are streaming far and wide.
And the shadows creep across the Western sky.

When the day has just begun
My devotion ne'er abates
for my own United States
When the booming of the gun
marks the setting of the sun
Greets your colors be it time of war or peace.
For my heart is filled with loyalty and Old pride.
In my heart is love for you that ne'er will die.
