Moderato

Time and again I've longed for adventure, Something to make my heart beat the faster. What did I long for? I never really knew.

Finding your love I've found my adventure,
Touching your hand, my heart beats the faster, All that I want in
all of this world is you.

Burthen

You are the promised kiss of spring-time That
makes the lonely winter seem long.

C-1007-4 All The Things You Are
You are the breathless hush of evening
That trembles on the brink of a lovely song.
You are the angel glow that lights a star,
The dearest things I know are what you are.
Some day my happy arms will hold you, and

some day I'll know that moment divine, when

all the things you are, are mine!

2. a tempo

mine!
