It is needless to comment on the success of Alfred Solman's "IF I HAD A THOUSAND LIVES TO LIVE," but many more friends than the above song has won, are acclaiming the spontaneous triumph of the same composer's most recent composition—a ballad of the heart—entitled, "MINE." As simple as it's title, yet most effective for the singer, the song "MINE" is a distinctive feature wherever performed, and is destined to become a favorite with every music lover.
