Mother 'O Mine

IS THE MOST BEAUTIFUL MOTHER SONG OF THEM ALL.

You ask me why I wrote Mother o' Mine. Well, the idea came to me one night, when I was tired and weary, and my thoughts went back to the time when I was young again with mother near.

And oh! the joy of it all as memory carried me back over the rough, billowy sea of life to that period when all was quiet and contentment, and a mist came into my eyes as I heard her voice singing to me the old, sweet songs as of yore, while she ran her dear fingers through my hair.

So I wrote and published "Mother o' Mine," in honor of the one who gave me life, and I dedicate it to all mothers, for be it never forgotten, we may have a hundred sweethearts, but only one mother.

No Home Can Afford to be Without "Mother o' Mine."
