A little maid
Bright lights were
Long years have passed
knee,
room,
wed,

Begged for a story,
Softly the music,
True to my lost love,

Uncle please;
Uncle sweet tunes,
She is dead,

Why are you
There came my
She tried to
single, why live alone?
my love my own,
tell me, tried to explain,

Have you no babies have you no
I wish some water; leave me a-
I would not listen, pleadings were

home? lone!
vain,
I had a sweetheart, years,
When I returned dear, there
one day a letter came,

years ago; stood a man,
Kissing my sweetheart
from that man, He was her brother

After The Fall-4
you will soon know.
List to the stor-
as lov-ers can.
Down fell the glass
the let-ter ran.
That's why I'm lone-
y, pet,
I'll tell it all,
I be-lieved her
ly, brok-en that's all,
Just as my
no home at all,
I broke her
faith-less,
heart was,
heart pet,
after the ball.
after the ball.
after the ball.

CHORUS

Af-ter the ball is o-ver,
Af-ter the break of morn,
After the dancers leaving, after the stars are gone;
Many a heart is aching, if you could read them all;
Many the hopes that have vanished,

After the ball.

Hello Central Give Me Heaven
I'm Trying so Hard to Forget You
I'm Wearing My Heart Away for You
I've a Longing in My Heart for You, Louise
In the City Where Nobody Cares
Don't You Wish You Were Back Home Again?

Just Behind the Times
Nobody Knows, Nobody Cares
Just a Glean of Heaven in Her Eyes

Waiting for Footsteps That Never Came
Way Down Deep in My Heart
What Does the Flowers Say?
You Never Spoke to Me Like That Before
