Moderato.

Music by
GEO. W. MEYER.

When your sweet-heart leaves you and she says 'Good-Bye,'
All the day you long for her, and all night, too,

Vamp till ready

Your heart is lonely, loving her only, Something must have happened and you
Just to be near her, only to hear her, And it grieves you just to think while

wonder why.
you've been true

She has turned away from you,
She has been so false to you.

Yesterday she loved you way down in her heart,
There's no one in all this world can take her place,

But today you seem a thousand miles a part
And you know some-body else has
How you long to gaze into her pretty face
But another holds her now in

won her heart
his embrace,

won her away from you.

REFRAIN.

Some-body else,
It's always some-body else,

Some-body,
tak-ing her from you, Mak-ing you so blue, Stea-ling kis-ses too,

that be-long to you. Some-body else It's al-ways

some-body else She leaves you, for a love that's new,

Gives her heart un-to Some-one else.
