**The Breakfast Club**

**Director’s Note:**

Empathy is an overlooked superpower. In his 1986 film, “The Breakfast Club”, John Hughes reminds us that finding the humanity in others isn’t always easy, but it is worth it. Although the characters are young, I believe that all ages need to be reminded this from time to time. The Breakfast Club is timeless; it will outlive us all.

**Cast:**

Claire...........................................Halle Leversidge
Allison.......................Mariana Kirkwood-Lazazze
Brian..............................Alex Osborne
