Andante con espressione

I'll take you home again, Kathleen,
A - cross the ocean wild and wide,
To where your heart has ever been,
Since that true; turn,
true; I always feel, when you are near,
That first you were my bonny bride.
life holds nothing dear but you.
loving heart will cease to yearn.
The roses all have left your cheek,
The smiles that once you gave to me,
Where laughs the little silver stream,

watched them fade a-way and die;
scarcely ev-er, see them now,
side your moth-er's hum-ble cot,
Your voice is sad when-er you
Tho' man- y, man- y times I
And bright- est rays of sun-shine

speak,
see,
gleam,
And tears be-dim your lov-ing eyes.
A dark 'ning shad-ow on your brow.
There all your grief will be for-got.

CHORUS

Oh, I will take you back, Kath-leen,
To Where your heart will know no pain;
And

when the fields are fresh and green,
I'll take you to your home a-gain._

Jeanie With The Light Brown Hair

Words and Music by
FRANZ LEHAR

Moderato

I dream of Jeanie with the light brown hair,
B疹 like a sun - ray,
I long for Jeanie with the tow - down smile, she - dient in glad - ness.
I sigh for Jeanie, but her light form strayed, Far from the fond hearts

on the sunny air, I see her trip - ping where the bright showers play,
I hear her sweet songs flown.
