AN UNRIVALLED LIST.

STEINWAY & SONS,
CHICKERING & SONS,
DUNHAM & SONS,
HAINES BROS.

It is quite unnecessary to say anything in praise of these Instruments. The first two on the list are acknowledged by all to be the Finest Pianos in the World. The most celebrated artists of the day have pronounced in favour of one or the other over all others.

The Dunham is a Piano unsurpassed as a serviceable instrument. Its durability has become a proverb.

The Haines, for a medium-priced Piano, excels in finish and beauty of tone, as well as durability, any other instrument of its class. Its popularity is proved by the fact that the Haines Factory is the third largest in America.

Second-Hand Pianos from $80 upwards.

We have always in Stock a large Assortment of Organs, of the best makers in the United States.
