Dear little pal, I'm lonesome for you
You're in my thoughts all the while
You fill my life with sunshine
There's no shadow in the sunshine of your smile
If the God that gave me life, would give me you, dear
He knows my love is true,
I want you near me, to strengthen and cheer me,
Dear little pal I'm lonesome for you.
Dear Little Pal
I'm Lonesome For You

Words & Music by

Moderato

VOICE

Day after day,
Night after night,
When you're away,

Find days seem to me like

flight,

years.  
there.

What is my
Is there a

fate,
time.

How can I wait,
When you'll be mine

Until returning time nears.
With me those dreams to share.

Dear Little Pal 4
CHORUS

Dear little pal; I'm lonesome for you

You're in my thoughts all the while.

You fill my life with sunshine, There's no

shadow in the sunshine of your smile. If the

Dear Little Pal 4
God that gave me life would give me you dear.

He knows my love is true.

I want you near me to strengthen and cheer me,

Dear little pal, I'm lonely for you.
SUNSET ROSE
WALTZ BALLAD
Words & Music by
STAN MERRITT

CHORUS

A rose on the path of sunset,
On little emblem of purest love,
Bathed in the light of a sunbeam,
A message from heav'n above.

Earth knows the worth of her offspring,
So sheltered from worldly care.
In the heart of the sweetest of flowers,
Where the weary find comfort and rest.
