An Appreciation

"Quintuplets' Lullaby" was written in Callander under the inspiration of a visit to the Wafoc Hospital where I saw the famous Dionne Quintuplets being prepared for bed.

To see these five charming babies being bathed, fed and each tucked away in her own little cot was indeed a rare privilege. For this I sincerely thank Dr. Allan R. Wafoc and Madame de Keriline, nurse in charge.

Also I appreciate the cooperation of the guardians of the Quintuplets for permitting the reproduction of the picture on the cover. My thanks are gratefully tendered to all others who have helped.

Moderato

Babies five in number, All prepared for slumber,
All aboard the steamboat, Fair yland's own dreamboat,

Cuddle down and close your drowsy eyes. Sail away to gleaming magic isles.

God above will send you When the sun gives warning,

Angels to attend you; Soon you'll hear them sing your lullabies.
You will know it's morning Home again to cheer us with your smiles.
