**GEE! BUT THERE’S CLASS TO A GIRL LIKE YOU**

By W. R. WILLIAMS

This song has beaten all records for becoming an instantaneous favorite. Critics claim it became what is called a "hit" in less time than any other song.

Mr. W. R. Williams, the composer, is the writer of more real "hits" than any other one writer and he thinks this is one of his best efforts and the one that would please the largest number of music lovers.

**"GEE! BUT THERE’S CLASS TO A GIRL LIKE YOU"**

**Chorus**

Words & Music by W. R. WILLIAMS.

Gee but there’s class to a girl like you Fair as a baby doll

Now I believe the old song is true There’s a girl in the world for us all Give me the chance to make you my wife And prove to you I’m true blue And tell me you’ll be my pal for life Gee but there’s class to a girl like you

Valse moderato.

A youth loved a maid but he was afraid
They bore her the news, she couldn't refuse

lay his fond heart at her feet
hear the sweet secret they told

thought of a way To tell her the secret so sweet
whispered the truth, A kiss on each pure heart of gold

Now everything's grand,

WILL ROSSITER'S $7,000.00 SONG SENSATION
MEET ME TO-NIGHT IN DREAMLAND

Music by Leo Friedman  Words by Beth Slater Whitson
"The Poetess of the South"

A little over a year ago Will Rossiter astonished the MUSIC WORLD by paying $7,000.00 cash for this song and immediately set about to spend $10,000.00 more to make this song the hit of the year. This he accomplished as the song has already SOLD OVER A MILLION copies and IS STILL THE BIGGEST SELLER ON THE MARKET. As these things happen only once in a lifetime we know you'll be interested to know some of the facts about its creator.

The above is the way the CHORUS starts and below is the way the CHORUS ends
The entire song is just as beautiful

READ THIS AND TELL YOUR FRIENDS

A young man named Leo Friedman is the composer of this haunting melody, which I believe was inspired by the beautiful thoughts so sweetly and effectively expressed in the title and song poem.

You will be interested to know that the originator of this wonderful song is a girl—a young woman. This little lady is just like a beautiful flower filled with goodness, and it seems to be her mission on earth to give out good thoughts and good new truths. She wrote, "Meet Me To-Night In Dreamland." Her name is Beth Slater Whitson, and she lives in a pretty little farm house down among the purple shadowed hills.

You will also be interested to know that Beth Slater Whitson, hardly out of her teens, is the main supporter of her parents and brothers and sisters, and her earnings are from these beautiful song poems.

A publisher of nearly thirty years' experience, I want to say I consider Miss Whitson in the nature of a "find," and I assure you I hope to publish many more writings from the pen of this natural little poetess of the sunny south.

Another little bit of history of this song is that it was originally introduced on the American stage by Miss Reine Davies, who is known as "The New American Melody Queen," and who, co-day, even now while you are perhaps reading this, is singing the song in some little city to an enthusiastic audience, who are cheering her for having written such a beautiful song.

So you see we have a song that is making a new record in the song world, originally written by one girl, Beth Slater Whitson, and introduced at the American Music Hall, New York, by another—Reine Davies. Not in the history of songs and song writers has there ever been a tale like this, and it is so interesting and that's just why I am telling all my friends about it, knowing they will be glad to do their part to help it along.

Get a copy of this song at once, sing it as often as you can and it will make you happy and also others. If you can't find it in your town send 25 cents to me and I'll send you a copy by return prepaid mail.
