WHAT'S THE USE OF MOONLIGHT

By KAHN & LE BOY

("I WISH I HAD A GIRL"

From present indications this new song "What's the use of Moonlight" is going to surpass anything they have ever written. There is a "something" about this song that makes you like it.

CHORUS

What's the use of moonlight, When there's no one 'round to love?

What's the use of silv'ry beams When no-bod-y shares your dreams.

All the stars just seem to say, As they look down from a bove.

GRACE LE BOY

I've heard so much about this
When I see some one give a
kissing game, It seems a shame I never came across a soul who cared to
child a kiss, I think what bliss, I'm doomed to miss; And how I long to be a

kiss me; Somehow those good things always miss me.
baby: For then some one would kiss me maybe.
Even as a kid, when I played in kissing games, Gee! I'd like to be that brave fellow in the play, Who always tended door, and called out the kissers' names; But loves the pretty girl and in each act goes away; Then if for just a tiny one, I ever dared to try, I was when I kissed my love 'Good-bye' I'd set the critics wild; For I'd coldly told to kiss myself good-bye. Has make that 'Soul-kiss' look quite meek and mild.

Has anybody got a kiss, etc.
CHORUS

p-f

any body got a kiss to spare? I'd like a little kiss or

two or three or four or more The sips of honeyed lips I never knew, So any old kind of a

kiss will do, I'm looking for a Miss who is looking for a kiss; A

tiny little kiss you'll never miss. If any body's got a kiss to spare say

"Yes" For I have loads of them to spare for you.

Has anybody got a kiss, etc. 3-3
ANOTHER WILL ROSSITER "SCOOP"
THE $7000.00 SONG SENSATION
"MEET ME TO-NIGHT IN DREAMLAND"

Music by LEO FRIEDMAN     Words by BETH SLATER WHITSON

Acknowledged by everybody to be the most beautiful ballad of recent years.

All of the big publishers were after this song, but as usual WILL ROSSITER "got there" first and secured this song-sensation for $7000.00 CASH.

Yes, it does seem a big price, but this song is worth many times this price. Millions of copies will be sold.

Here is the first line of the Chorus—
Try it over yourself—

CHORUS. With Expression.

Isn’t it the most “natural” song you ever heard. No effort to sing it. Each note seems to “just naturally” follow the previous one.

Here is the last line of the Chorus
A beautiful ending to a truly beautiful song.

This song can be secured wherever Music is sold but if you are unable to secure it, send 25c (either stamps or silver) to the publisher
