DIRECTORS' NOTES

Please feel free to use the bar during the performance. If you must use the lavatory, use the one in the hall by the Box Office - but you should be quick about it. There will be one intermission. Please do not take any alcoholic beverages outside of the Theatre (there are large rugby players with ruddy good looks waiting for you to do just that, and they will likely pummel the stuffing right out of you - even if we beg them to stop!). Please do not throw anything at the performers during the performance - wait for them in the parking lot. There will be no post-show discussion but feel free to buy anyone of us a beer after the performance.
